

**2025 Spyglass Gardens llc CSA 11 week Program  
Celebrating 25 years of the “Farm”!**

Community Supported Agriculture is basically a Food Club.  
Members help sustain locally grown produce grown on local farms – like ours.

Our commitment to our CSA Members is to provide farm fresh naturally grown produce  
and to notify members each week when this is available.

Educational and Fun Classes will be scheduled and posted on our web page  
w.w.w.spyglassgardens.com facebook and instagram

CSA Program will start July 9th Pickups are on Wednesdays 11am to 6pm  
We strive to have a wide variety of the freshest produce for you, handpicked, sorted, chilled and  
displayed for you each week. You will receive a text or email each Sunday evening with the  
“bounty of the week”. Children are always welcome at the farm – must be supervised. . We  
welcome volunteer help, but it is not a member requirement.

All member’s addresses, emails and phone numbers are for Spyglass Gardens Only.  
No Pets when visiting the farm – USDA Requirements!

Your Commitment: Is to pick up your bounty each week. If you do not pick up your bounty or  
call us, Your share will be donated. So please communicate with us if there is a problem and we  
can box up your bounty and schedule a time for pickup. Remember “We Pick for You!”

The volume variety of produce will vary with the season. Pests, weather, water, extreme heat all  
play a part in the annual harvest. Typically you will receive a well rounded basket. Selections will  
vary as the summer progresses.

July - August : cherries, greens, salad onions, apricots, cucumbers, carrots, berries, summer  
squash, herbs, green beans, potatoes. As the summer warms more additions:  
melons,tomatoes, peppers, sweet corn, green beans, onions, potatoes, peaches, apples, pears.  
Season will finish with additions of winter squash and pie pumpkins.

Options for Bulk are available and members always come first when filling these orders.  
Members receive discounts on many bulk items. You will be notified when we have flats of  
berries, boxes of apricots, tomatoes, peaches, pears and apples. If you want to be on these lists  
please let us know.

We only accept Checks, Cash or Venmo for all payments. Please feel free to call, text or email  
with questions you may have about our program.
